Lauderdale County, MS

On February 23, 2017, a letter was forwarded via Attorney General Jim Hood to the Public Integrity Division requesting our office review and present a matter to the Lauderdale County Grand Jury concerning the death of Christian Andrecchio. District Attorney Bilbo Mitchell cited numerous reasons of conflict in this matter and at the direction of AG Hood, PID Director Stanley Alexander instructed this matter be opened as a referral case. Andrecchio s was found dead in Meridian, MS on February 26, 2014. The Meridian Police Department, Meridian, MS, investigated the death and determined Andrecchio died from a self-inflicted gunshot wound to the head. The matter was reviewed by the Mississippi Bureau of Investigation and prepared for Grand Jury presentation, with their review confirming the findings of MPD. All documentation will be recovered from DA Mitchell and examined further before GJ presentation.
